MS4 Municipal Compliance Certification (MCC) Form

MCC form for period ending March 9, 2021

Name of MS4: Town of Ramapo

SPDES ID: NYR20A202

Each MS4 must submit an MCC form.

Section 1 - MCC Identification Page

Indicate whether this MCC form is being submitted to certify endorsement or acceptance of:

- An Annual Report for a single MS4
- A Single Entity (Per Part II.E of GP-0-10-002)
- A Joint Report

Joint reports may be submitted by permittees with legally binding agreements.

If Joint Report, enter coalition name:
MS4 Municipal Compliance Certification (MCC) Form
MCC form for period ending March 9, 2021

Name of MS4: Town of Ramapo

SPDES ID: NYR20A202

Section 2 - Contact Information

Important Instructions - Please Read

Contact information must be provided for each of the following positions as indicated below:

1. Principal Executive Officer, Chief Elected Official or other qualified individual (per GP-0-08-002 Part VI.J).
2. Duly Authorized Representative (Information for this contact must only be submitted if a Duly Authorized Representative is signing this form).
3. The Local Stormwater Public Contact (required per GP-0-08-002 Part VII.A.2.c & Part VIII.A.2.c).
4. The Stormwater Management Program (SWMP) Coordinator (Individual responsible for coordination/implementation of SWMP).
5. Report Preparer (Consultants may provide company name in the space provided).

A separate sheet must be submitted for each position listed above unless more than one position is filled by the same individual. If one individual fills multiple roles, provide the contact information once and check all positions that apply to that individual.

If a new Duly Authorized Representative is signing this report, their contact information must be provided and a signature authorization form, signed by the Principal Executive Officer or Chief Elected Official must be attached.

For each contact, select all that apply:

- Principal Executive Officer/Chief Elected Official
- Duly Authorized Representative
- Local Stormwater Public Contact
- Stormwater Management Program (SWMP) Coordinator
- Report Preparer

Minimum Control Measure 1. Public Education and Outreach

The information in this section is being reported (check one):

● On behalf of an individual MS4
○ On behalf of a coalition

How many MS4s contributed to this report? 1

1. Targeted Public Education and Outreach Best Management Practices

Check all topics that were included in Education and Outreach during this reporting period:

○ Construction Sites
○ General Stormwater Management Information
○ Household Hazardous Waste Disposal
○ Illicit Discharge Detection and Elimination
○ Infrastructure Maintenance
○ Smart Growth
○ Storm Drain Marking
○ Green Infrastructure/Better Site Design/Low Impact Development

○ Other:

Pesticide and Fertilizer Application
○ Pet Waste Management
○ Recycling
○ Riparian Corridor Protection/Restoration
○ Trash Management
○ Vehicle Washing
○ Water Conservation
○ Wetland Protection
○ None

2. Specific audiences targeted during this reporting period:

○ Public Employees
○ Contractors
○ Residential
○ Developers
○ Businesses
○ General Public
○ Restaurants
○ Industries

Name of MS4/Coalition: Town of Ramapo
SPDES ID: NYR20202

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The Supervisor released five (5) general newsletters via email this past reporting year in five (5) subsequent weeks. We called it the Stormwater Series. Each newsletter contained a different aspect (s) of stormwater education. This is a continuation of the last reporting period where we did two (2) newsletters of this type. We did five (5) in part to offset the decline of the face to face distribution of materials and the closed offices on account of Covid.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This activity seems to be effective because the number of people that have signed up to the Supervisor’s newsletter is increasing.

C. How many times was this observation measured or evaluated in this reporting period?

5
(ex: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

● Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

● Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

As long as the current Supervisor continues with his newsletter we intend to have at least one of them contain information pertaining to stormwater education.
4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Our measurable goal was to distribute a minimum of 175 pieces of educational literature at the DPW and Town Hall offices.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

We did not reach out stated goal because Covid shut down both Town Hall and the DPW Office to the public. We did however through our cooperation with CCE distribute educational literature through both the monthly CCE newsletters and the August Rockland County Conservation and Service Corps. final project presentation at the Rockland County Fire Training Center.

C. How many times was this observation measured or evaluated in this reporting period?

1

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

○ Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

○ Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We intend continue our partnership with CCE so they can distribute the monthly newsletters in part on our behalf and we have already signed on to host two more members of the Rockland County Conservation and Service Corps. members for 2021. Town Hall is now open to the public so we can start leaving our flyers out once again although we will anticipate traffic will be light until more are vaccinated. The DPW Office remains closed at the present time.
MS4 Annual Report Form
This report is being submitted for the reporting period ending March 9, 2021.
If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo
SPDES ID: NYR20A202

4. Evaluating Progress Toward Measurable Goals MCM 1

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The measurable goal was to sponsor or facilitate at least one class that would educate the public and/or contractors with respect to a particular pollutant. Through our contact with Cornell Cooperative Extension, ten (10) classes were held on the County Fertilizer Law and eight (8) radio shows were broadcast on WRCR on a variety of stormwater related topics.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Sixteen (16) people from Ramapo attended the classes regarding the Fertilizer Law. Eight (8) half hour radio shows were broadcast over local airways. Many shows received telephone calls pertaining to the topics of discussion.

C. How many times was this observation measured or evaluated in this reporting period?

(ex.: samples/participants/events)

24

D. Has your MS4 made progress toward this Measurable Goal during this reporting period?

○ Yes ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

○ Yes ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We hope to sponsor or facilitate at least several classes next year.

Ramapo also intends to be involved with a minimum of eight (8) additional radio programs on stormwater related issues.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021.

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

4.a. If this report was made available on the internet, what date was it posted?
Leave blank if this report was not posted on the internet. 05/10/2021

4.b. For how many days was/will this report be posted? 365

If submitting a report for single MS4, answer 5.a.. If submitting a joint report, answer 5.b..

5.a. Was an Annual Report public meeting held in this reporting period?
If Yes, what was the date of the meeting? 01/01/1202

If No, is one planned? Yes No

5.b. Was an Annual Report public meeting held for all MS4s contributing to this report during this reporting period? Yes No

If No, is one planned for each? Yes No

6. Were comments received during this reporting period?
If Yes, attach comments, responses and changes made to SWMP in response to comments to this report.
7. Evaluating Progress Toward Measurable Goals MCM 2

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

We did not think that our practice of going door to door to educate residents about the storm drain markings and the importance of clean stormwater was going to occur because of the Covid-19. As it turns out the pandemic was even worse than anticipated. We did indicate however we would come up with an alternative.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

There were no observations with respect to the door to door education because it did not occur. As the alternative, the Town Supervisor sent out flyers to each of our residences (7313 of them) to alert them of an upcoming Spring Cleanup Event. These flyers mentioned how to dispose of household hazardous wastes among other things. It seems to have been well received since we did not have too many attempts of residents leaving these items curbside.

C. How many times was this observation measured or evaluated in this reporting period? [ ] [ ] 1

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period? ○ Yes ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP? ○ Yes ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We don't think door to door education will continue for the 2021 -2022 on account of Covid limitations but we intend to again distribute a flyer containing how to dispose of household hazardous wastes prior to our 2021 Spring Cleanup Event.
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

7. Evaluating Progress Toward Measurable Goals MCM 2

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The measurable goal was to post our Annual Report on the Town's website a couple of weeks before the close of the public comment period in May.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

It is difficult to observe how effective posting our Annual Report is on the website particularly when no formal comments are obtained. We can tell though that more people are becoming more conscious of the environment and the impact it has on their quality of life by the types of inquiries that are made. Whether that is a function of the Annual Report being on the website or just a generally more informed public is unknown.

C. How many times was this observation measured or evaluated in this reporting period?

1

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

- Yes
- No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

- Yes
- No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We will at a minimum have the Annual Report posted on the internet at least a week before we close the public comment period in May.
Minimum Control Measure 3. Illicit Discharge Detection and Elimination

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report? [ ] 1

1. Enter the number and approx. percent of outfalls mapped: [ ] 190 # 100 %

2. How many of these outfalls have been screened for dry weather discharges during this reporting period (outfall reconnaissance inventory)? [ ] 190

3.a. What types of generating sites/sewershed were targeted for inspection during this reporting period?

- Auto Recyclers
- Building Maintenance
- Churches
- Commercial Carwashes
- Commercial Laundry/Dry Cleaners
- Construction Vehicle Washouts
- Cross-Connections
- Distribution Centers
- Food Processing Facilities
- Garbage Truck Washouts
- Hospitals
- Improper RV Waste Disposal
- Industrial Process Water
- Other:

   URL
   
   URL
   
   URL
   

9. Has an IDDE law been adopted for each traditional MS4 and/or have IDDE procedures been approved for all non-traditional MS4s contributing to this report?  
   ○ Yes  ○ No

10. If Yes, has every traditional MS4 contributing to this report certified that this law is equivalent to the NYS Model IDDE Law?  
    ○ Yes  ○ No  ○ NT

11. What percent of staff in relevant positions and departments has received IDDE training?  
    ☐ 67%
12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Since the beginning of the original 5 year permit period, the Town of Ramapo has been flushing our sanitary trouble areas to prevent sewer blockages and resulting sewer discharges. We have reached our goal of flushing at least 5 miles in 15 to the past 16 years. This past reporting year we flushed only 4.5 miles. This is as a result of staff missing large amounts of time as a result of the Covid pandemic.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This activity has been effective in pro-actively removing grease and paper buildup on the inner walls of our sewer lines. We see this working every day by virtue of the reduction of call outs we receive reporting blockages both during and after work hours.

C. How many times was this observation measured or evaluated in this reporting period?

2 4 8

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

- Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

- Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We intend to continue flushing a minimum of 5 miles of sanitary sewers during the next reporting year.
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021.

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR 20A 202

12. Evaluating Progress Toward Measurable Goals MCM 3

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Our measurable goal was to inspect and photograph each of our 190 known outfall structures and look for illicit discharges. It was also to use a redesigned tablet form that looked like the work sheets designed by the Center for Watershed Protection and endorsed by the DEC.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

All of Ramapos' outfalls were inspected and photographed. We did not use the tablet this summer on account of training limitations associated with the tablet. We did use the Watershed Protection forms again this year. No illicit discharges were found.

C. How many times was this observation measured or evaluated in this reporting period?

190

D. Has your MS4 made progress toward this measurable goal during this reporting period?

• Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

• Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We intend to continue inspecting each of our known outfalls again this Summer. We will hopefully have our Consultant redesign the Survey 123 forms so that it looks like the Center for Watershed Protection form.
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021.
If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

Minimum Control Measures 4 and 5:
Construction Site and Post-Construction Control

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report? 1

1a. Has each MS4 contributing to this report adopted a law, ordinance or other regulatory mechanism that provides equivalent protection to the NYS SPDES General Permit for Stormwater Discharges from Construction Activities?
- Yes
- No

1b. Has each Town, City and/or Village contributing to this report documented that the law is equivalent to a NYSDEC Sample Local Law for Stormwater Management and Erosion and Sediment Control through either an attorney certification or using the NYSDEC Gap Analysis Workbook?
- Yes
- No
- NT

If Yes, Towns, Cities and Villages provide date of equivalent NYS Sample Local Law.
- 09/2004
- 03/2006
- NT

2. Does your MS4/Coalition have a SWPPP review procedure in place?
- Yes
- No

3. How many Construction Stormwater Pollution Prevention Plans (SWPPPs) have been reviewed in this reporting period?

4. Does your MS4/Coalition have a mechanism for receipt and consideration of public comments related to construction SWPPPs?
- Yes
- No
- NT

If Yes, how many public comments were received during this reporting period?

5. Does your MS4/Coalition provide education and training for contractors about the local SWPPP process?
- Yes
- No
6. Identify which of the following types of enforcement actions you used during the reporting period for construction activities, indicate the number of actions, or note those for which you do not have authority:

- Notices of Violation # 3 ○ No Authority
- Stop Work Orders # 1 ○ No Authority
- Criminal Actions # ○ No Authority
- Termination of Contracts # ○ No Authority
- Administrative Fines # ○ No Authority
- Civil Penalties # ○ No Authority
- Administrative Orders # ○ No Authority
- Enforcement Actions or Sanctions # ○ No Authority
- Other # ○ No Authority
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021.

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

SPDES ID: NYR2020202

Name of MS4/Coalition: Town of Ramapo

Minimum Control Measure 4. Construction Site Stormwater Runoff Control

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report? 1

1. How many construction projects have been authorized for disturbances of one acre or more during this reporting period? 1

2. How many construction projects disturbing at least one acre were active in your jurisdiction during this reporting period? 21

3. What percent of active construction sites were inspected during this reporting period? 76%

4. What percent of active construction sites were inspected more than once? 0%

5. Do all inspectors working on behalf of the MS4s contributing to this report use the NYS Construction Stormwater Inspection Manual?

- Yes
- No
- NT

6. Does your MS4/Coalition provide public access to Stormwater Pollution Prevention Plans (SWPPPs) of construction projects that are subject to MS4 review and approval?

- Yes
- No
- NT

If your MS4 is Non-Traditional, are SWPPPs of construction projects made available for public review?

- Yes
- No

If Yes, use the following page to identify location(s) where SWPPPs can be accessed.
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021.

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

MCM 4 Page 2 of 3
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NY R 2 0 A 2 0 2

7. Evaluating Progress Toward Measurable Goals MCM 4

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Our measurable goal is to review 100% of the SWPPPs that enter our Office for compliance with NYSDEC and local requirements.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This measure is very effective because most of the SWPPPs submitted need to be reviewed multiple times to be compliant. Joel Bianchi from MJ Engineering reviews the plans on behalf of the Town. Without these multiple reviews, proposed plans will likely be designed incorrectly in terms of function and size.

C. How many times was this observation measured or evaluated in this reporting period?

20

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

● Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

● Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Next year the Town again anticipates reviewing all of the SWPPPs that are submitted. It is expected that MJ Engineering or another Engineering Company will be reviewing them on behalf of the Town.

SPDES ID: NYR20A202

4a. Are the MS4s contributing to this report involved in a regional/watershed wide planning effort?
   ○ Yes  ● No

4b. Does the MS4 have a banking and credit system for stormwater management practices?
   ○ Yes  ● No

4c. Do the SWMP Plans for each MS4 contributing to this report include a protocol for evaluation
    and approval of banking and credit of alternative siting of a stormwater management practice?
   ○ Yes  ● No

4d. How many stormwater management practices have been implemented as part of this system in this
    reporting period?
    ___ 0 ___

5. What percent of municipal officials/MS4 staff responsible for program implementation attended
   training on Low Impact Development (LID), Better Site Design (BSD) and other Green
   Infrastructure principles in this reporting period?
   ___ 16 ___ %
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

6. Evaluating Progress Toward Measurable Goals MCM 5

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Our measurable goal was to continue documenting projects in which SWPPPs are required and to perform final inspections on the water quality devices when the Notices of Termination are to be filed. It was also to clean out the one organic filter the Town owns and begin maintenance on the stormwater ponds that were recently transferred to us.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

Our master spread sheet has been updated so its easy to see all of our projects in one file. We continue to maintain our digitally organized weekly reports on E&SC inspections on those projects that have greater than an acre of disturbance.

C. How many times was this observation measured or evaluated in this reporting period?

[ ] 1

(ex: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

 ● Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

 ● Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

Our goal is to continue documenting the projects that require SWPPPs. The Town (MJ Engineering) will perform final inspections on those projects that are looking for their Notices of Termination. We will also continue to maintain our organic filter as least quarterly and put our new ponds on an inspection schedule.

MCM 5 Page 3 of 3
6. Evaluating Progress Toward Measurable Goals MCM 5

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Our measurable goal was to purchase at least 12 structural devices that would assist the Town in keeping priority pollutants from entering the storm drain system. This past year we purchased and installed 16 retrofit inlet covers. (grate plates)

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

We are noticing that both the stream and waterbody areas downstream and the piping system itself are noticeably cleaner than they have been in the past.

C. How many times was this observation measured or evaluated in this reporting period?

1

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

Yes  No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

Yes  No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We anticipate purchasing at least twelve (12) more of these structural devices in the upcoming year. Since the catchbasins immediately upstream from Lake Suzanne in the Town's jurisdiction are almost complete, we will install future grate plates on other catchbasins that lead to other tributaries of the Pascack Brook.
**Minimum Control Measure 6. Stormwater Management for Municipal Operations**

The information in this section is being reported (check one):

- On behalf of an individual MS4
- On behalf of a coalition

How many MS4s contributed to this report? [ ] 1

1. Choose/list each municipal operation/facility that contributes or may potentially contribute Pollutants of Concern to the MS4 system. For each operation/facility indicate whether the operation/facility has been addressed in the MS4's/Coalition's Stormwater Management Program (SWMP) Plan and whether a self-assessment has been performed during the reporting period. A self-assessment is performed to: 1) determine the sources of pollutants potentially generated by the permittee's operations and facilities; 2) evaluate the effectiveness of existing programs and 3) identify the municipal operations and facilities that will be addressed by the pollution prevention and good housekeeping program, if it's not done already.

MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, 2021

If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: Town of Ramapo

SPDES ID: NYR20A202

2. Provide the following information about municipal operations good housekeeping programs:

- Parking Lots Swept (Number of acres X Number of times swept)
  # Acres: 44.2
  # Miles: 143
  #: 188

- Streets Swept (Number of miles X Number of times swept)

- Catch Basins Inspected and Cleaned Where Necessary

- Post Construction Control Stormwater Management Practices Inspected and Cleaned Where Necessary

- Phosphorus Applied In Chemical Fertilizer
  # Lbs.: 0

- Nitrogen Applied In Chemical Fertilizer
  # Lbs.: 209.7

- Pesticide/Herbicide Applied
  (Number of acres to which pesticide/herbicide was applied X Number of times applied to the nearest tenth.)
  # Acres: 0.514

3. How many stormwater management trainings have been provided to municipal employees during this reporting period?

4. What was the date of the last training?
   03/05/2021

5. How many municipal employees have been trained in this reporting period?
   39

6. What percent of municipal employees in relevant positions and departments receive stormwater management training?
   48%
7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

The measurable goal was to sweep fifty (50) miles of roadway in Unincorporated Ramapo in the reporting year. We were able to exceed our goal by sweeping just over one hundred and forty three (143) miles in Unincorporated Ramapo.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

By continuing to sweep a significant amount of miles, less sediment and trash is deposited in our catchbasins that flow into our water bodies.

C. How many times was this observation measured or evaluated in this reporting period?

D. Has your MS4 made progress toward this measurable goal during this reporting period?

   ○ Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

   ○ Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We are going to increase our street sweeping goal and attempt to sweep seventy (70) lane miles in the next reporting year.
7. Evaluating Progress Toward Measurable Goals MCM 6

Use this page to report on your progress and project plans toward achieving measurable goals identified in your Stormwater Management Program Plan (SWMPP), including requirements in Part III.C.1. Submit additional pages as needed.

A. Briefly summarize the Measurable Goal identified in the SWMPP in this reporting period.

Initially, our measurable goal was to clean 30 catch basins in Unincorporated Ramapo. We later increased that figure to 40 and most recently to 50. Catchbasins will be cleaned out mainly between March and November.

B. Briefly summarize the observations that indicated the overall effectiveness of this Measurable Goal.

This action increases the effectiveness of our storm drain system by collecting and transporting stormwater runoff and removes both sediment and debris from downstream water bodies. We cleaned out 188 catchbasins in this past reporting period.

C. How many times was this observation measured or evaluated in this reporting period?

(ex.: samples/participants/events)

D. Has your MS4 made progress toward this measurable goal during this reporting period?

○ Yes  ○ No

E. Is your MS4 on schedule to meet the deadline set forth in the SWMPP?

○ Yes  ○ No

F. Briefly summarize the stormwater activities planned to meet the goals of this MCM during the next reporting cycle (including an implementation schedule).

We propose to clean out an additional 50 catch basins next year in Unincorporated Ramapo mainly between the months of March and November before the debris freezes in the catch basins making it extremely difficult to remove.

</table>

1. Does your MS4/Coalition have an education program addressing impacts of phosphorus/nitrogen/pathogens on waterbodies?  
   ○ Yes  ○ No  ○ N/A

2. Has 100% of the MS4/Coalition conveyance system been mapped in GIS?  
   ○ Yes  ○ No  ○ N/A

   If N/A, go to question 3.

   If No, estimate what percentage of the conveyance system has been mapped so far.  
   _______ %

   Estimate what percentage was mapped in this reporting period.  
   _______ %
MS4 Annual Report Form

This report is being submitted for the reporting period ending March 9, ___.___
If submitting this form as part of a joint report on behalf of a coalition leave SPDES ID blank.

Name of MS4/Coalition: ____________________________  SPDES ID: N Y R 2 0 __________

3. Does your MS4/Coalition have a Stormwater Conveyance System (infrastructure) Inspection and Maintenance Plan Program?  
   ○ Yes  ○ No  ○ N/A

4. Estimate the percentage of on-site wastewater treatment systems that have been inspected and maintained or rehabilitated as necessary in this reporting period: ___ ___ %

5. Has your MS4/Coalition developed a program that provides protection equivalent to the NYSDEC SPDES General Permit for Stormwater Discharges from Construction Activities (GP-0-08-001) to reduce pollutants in stormwater runoff from construction activities that disturb five thousand square feet or more?  
   ○ Yes  ○ No  ○ N/A

6. Has your MS4/Coalition developed a program to address post-construction stormwater runoff from new development and redevelopment projects that disturb greater than or equal to one acre that provides equivalent protection to the NYS DEC SPDES General Permit for Stormwater Discharges from Construction Activities (GP-0-08-001), including the New York State Stormwater Design Manual Enhanced Phosphorus Removal Standards?  
   ○ Yes  ○ No  ○ N/A

7a. Does your MS4/Coalition have a retrofitting program to reduce erosion or phosphorus/nitrogen/pathogen loading?  
   ○ Yes  ○ No  ○ N/A

7b. How many projects have been sited in this reporting period?  
   ___ ___

7c. What percent of the projects included in 7b have been completed in this reporting period?  
   ___ ___ %

7d. What percent of projects planned in previous years have been completed?  
   ___ ___ %  
   ○ No Projects Planned

8a. Has your MS4/Coalition developed and implemented a turf management practices and procedures policy that addresses proper fertilizer application on municipally owned lands?  
   ○ Yes  ○ No  ○ N/A

8b. Has your MS4/Coalition developed and implemented a turf management practices and procedures policy that addresses proper disposal of grass clippings and leaves from municipally owned lands?  
   ○ Yes  ○ No  ○ N/A
