Ramapo Highway Department Bulletin

***Mulch Pick Up Continues – Regular Collection of
Branches Resumes***

Mulch Pick Up – Untreated mulch is still available to Town of Ramapo residents at the Spook Rock Golf Course parking lot, free of charge. Homeowners may pick up as much as they need. Pick up hours remain 7:30 AM – 5:30 PM daily (Monday through Sunday).

Regular Branch Collection – Ramapo Highway Department’s post-storm special branch collection program has concluded. Residents in unincorporated areas of Ramapo must once again cut branches into 4-foot lengths, tie them in bundles and leave the bundles roadside for collection by Interstate Waste Service. Ramapo Village residents must follow their Village guidelines for branch collection.

(For further information contact the Highway Department at 357-0903)
